Who We Are

Our expertise is helping Indian and foreign students to make the right decision about their career choices

We provide the students detailed career analysis & insights about the suitable career options around the world

Roy Overseas Services was founded in 2012 with a vision to make it a prime centre for foreign education through result oriented and quality performance. Roy Overseas Services is an associate company of Pathway Group, established in 2001. As one of the most successful companies, Roy Overseas Services delivers a holistic view of the opportunities available in the education and study abroad domain worldwide.

Our team of professional counsellors helps thousands of aspiring students, choose their career and education path which can match their interest, attitude and flair; and place them in reputed universities and colleges across the world.

We are the premier consultant of international standard for helping students to achieve their career goals through career guidance, counselling, coaching, training and admission consultancy in Indian and foreign universities.
